

BOTANICAL GARDEN EL CHARCO DEL INGENIO

RULES

1. Dogs and other animals are ONLY allowed in the area designated as Dog Park and access is only through the door in Balcones, located in the SW of the Botanical Garden. Access to the rest of the Garden with dogs or animals is strictly forbidden.
2. Use of the Dog Park is only for current members or their accredited representatives. All users of this park must register once at the Reception and will receive a key to the Balcones door. Membership must be up-to-date to ensure this privilege.
3. The 4 doors in the fenced in area of the Dog Park must be closed at all times. Visitors without dogs may enter the Dog Park area but those with dogs may not exit into the other areas of the Garden.
4. Dogs do not have to be on a leash in the Dog Park if they do not represent a danger for other users or pets or the site. Any damage to the site or other users or pets is the strict responsibility of the users of the Dog Park, not the Botanical Garden, its representatives or employees.
5. Users are required to clean up after their dogs and use the containers placed for this purpose throughout the Dog Park.
6. Staff of the Botanical Garden will capture any dogs inside the Dog Park or any other area of the reserve that are without an owner or out of control and will keep them for several hours after which time they will be taken to the municipal Department of Ecology.
7. Any users found with a dog beyond the Dog Park limits, in other parts of the Botanical Garden, may immediately have their membership revoked.
8. Any doubts concerning the application of the above rules will be resolved by the Director of the Botanical Garden, or when necessary, by the Board of Directors of El Charco del Ingenio.
